It has proven to be a successful way for participating companies to maximize their marketing dollars because of the savings, exclusivity, visibility, and no hassle it offers. So, don't wait - make the most of your marketing efforts and join the NC/SC STMA 2017 PARTNERS Program today!

**Stand out** Your support of the chapter associations is key. You make it possible for NC/SC committees to develop affordable, quality events for NC and SC STMA chapters. Our members recognize and value the significant support we receive from our PARTNER companies.

**Exposure** You will receive high profile, year-long repeated publicity to NC/SC members. Plus, most PARTNER benefits are not available to other companies at any cost.

**Visibility** You will have the opportunity to network with STMA chapter members at the regions largest and most prominent industry events. Plus, you will receive top priority booth placement, sponsorships and recognition at all NC/SC chapter events.

**Connect** You will have access to many exclusive benefits, directly connecting you with NC/SC members.

**No hassle** This program makes budgeting for sponsorships and events simple for you and your company.
